## Newsletter for March 2003

Well the **BIG** news is right next to this writing. If you can read the fine print I am now a fully ordained minister of the Gospel of Jesus. This represents 25 years of preaching and working for the Lord on my part and represents 2 years of work by the Lord. I have been preaching God's Gospel for 25 plus years, but two years ago our Lord impressed upon my heart the need to be ordained. So as of 2/21/03 I am.

**Thank You!!!** for your prayers for the little church in Mountain View Wyoming we have been working with.

They have a new Pastor. Pastor Edward Phelps and his wife, a retired Assembly of God preacher from Arkansas has taken up residence at the church. One of our prayers had been that "if our Lord was going to move us on He had to provide a shepherd for the little flock in Mountain View."

The tape that is coming this week is not the series I hoped to send. I had planned on sending you the series "The six sure signs you're religious" or you really know your'e religious when, but I finished all the tapes before I realized that we had run out of two tape cases. So this weeks sermon is "**Keeping Watch**". The Lord has been impressing Mary and I that it is so very important as we get closer to the end to keep watch. Revelation 16:15 "**Behold, I am coming as a thief. Blessed is he who watches, and keeps his garments, lest he walk naked and they see his shame.**" NKJ

As soon as we get in the new tape cases I will be sending out the "Six sure signs your'e religious". Remember that you are free to pass on the tapes, copy them or distribute them to others. **PASS ON GOD'S WORD** .

The devotion below was e-mailed to me on the 14<sup>th</sup> of March. You will notice the emphasis. That we must never give into evil. That the good that is within us will always drive out the evil in the world if we do not take our eyes off the source of our goodness. But we do not use the instruments (see below).

*"The instruments in your hand for good are invincible against evil, did you but use them. Every evil you face boldly, in My Spirit, flees at once, ashamed. No evil can look good in the face. Teach to all - that good is stronger than evil. You must answer the challenge of evil. This spiritual warfare must be ceaselessly waged by My followers. Remember it is not where you are strongest that evil will attack you, but at your weak points. Hence the need to overcome. Be ready to see a weakness in yourself, and attack that until you are victor."*

Mary has been having some on going health problems that became severe enough on March 14<sup>th</sup> that Mary thought she could die from what ever was going on. We had to spend the night 14<sup>th</sup> and morning of the 15<sup>th</sup> in the hospital in Jackson, Wyoming. All the tests that they preformed showed no problems. But from some of the symptoms the doctor suggested a Hiatal Hernia. We attended a small Spirit filled church in Marbleton, Wyoming on Sunday AM. They prayed over Mary and about mid service the woman in front of us told Mary that the Lord had given her a word. "Not to believe Satan's lies". My first impression was HUH? How was Satan lying to Mary. To make a long story short even though we did not fully understand we went before the Lord and asked Him to protect us and reveal any lies that the old snake might be trying to tell us.

The Lord showed us that even though the symptoms that Mary had felt, seemed to be life threatening they were not. Satan was trying to convince us that she was going to die. By Monday the Lord had revealed to us the cause of the problems and now I am praying for a complete healing. If only we had read the above devotion. The Lord was trying to prepare us.

**"Then many false prophets will rise up and deceive many. <sup>12</sup>And because lawlessness will abound, the love of many will grow cold. <sup>13</sup>But he who endures to the end shall be saved".**  
Matt 24: 11-13 NKJ

I cannot go into details but please be very discerning about the Gospel and "word" of God you listen to. The Lord has been laying it on Mary's and my hearts how important this is as we approach the end. There are a lot of good men of God spreading the truth, but there is also just as many spreading their version of the Gospel. Please, Please be very discerning. **You will know them by their fruits.** Test all things by the word of God.

Mary and I continue to keep you in our prayers. We feel that God is on the move and we will be seeing great changes in our Ministry soon. Again please keep the ministry finances and our personal finances in your prayers. God continues to keep us alive with a little work.

Please feel free to write or call us about any prayer requests or needs. Mary and I personally pray over your requests and then we call a pastor friend of ours to put them on a nation wide prayer chain. We also add them to our local prayer chains here in Wyoming. We now have a very special prayer partner in Grandma Pat. She is a little grandma that has her own web page and handles over 500 prayer requests a month. In a short time we can have hundreds of people lifting your needs before our Lord.

*Our prayers are with you. Love in Jesus*
